Directory of Communities by Saskatchewan Electoral District

Fourth Edition

Published by the
Chief Electoral Officer of Saskatchewan
July 2003

PREFACE

This Directory has been compiled by the Chief Electoral Officer of Saskatchewan to assist persons in identifying the federal and provincial constituencies in which Saskatchewan communities are situated. To facilitate use of the Directory it has been divided into three parts: Part A sets out communities within provincial and federal constituencies; Part B provides a roster of communities by individual provincial constituency; and, Part C contains an illustration of the provincial and federal constituency boundaries drawn pursuant to the legislation mentioned within.

The federal constituencies referred to herein are those that came into effect on January 8, 1997 following the publication one year earlier of a proclamation and representation order under *The Electoral Boundaries Readjustment Act* (R.S.C.).

Provincial constituencies referred to are those established pursuant to *The Representation Act, 2002*.

Revisions will be made to this Directory at such time as changes occur with respect to federal or provincial constituency boundaries.
